Hamilton Veterans Park is a town park that offers everything you'd expect, plus a surprisingly pleasant, if slightly surrealistic, woods-walking experience. Located centrally within the township, this magnificent 333 acre park was built in honor of Hamilton's veterans in 1977. Ribbons of walking paths are sprinkled through wooded areas and intermittent picnic grounds, rest stops and athletic fields. The west side of the park features a large lake centered by a beautiful high flying fountain. The north side offers a huge tennis complex, soccer and softball fields.
